

*Don't know what to get for those hard to buy people on your Christmas List?*

# Check out CRC Scrip!

## One-stop shopping can be yours!

Don't just think of Scrip gift cards as easy gifts and stocking stuffers for the holidays (although they are useful for that purpose). Please consider buying cards for the stores that YOU shop. Instead of using your credit or debit card, use Scrip gift cards to make your purchases and earn money for CRC at the same time! There is no door-to-door selling; no need to ask family and friends for their support. It's easy! Just do your shopping with Scrip cards and the school earns money.

## How does it work?

Purchase gift cards at face value in the CRC parish office, school office, or after Mass on the weekends. CRC purchases the cards from Scrip at 1-13% less than face value (varies by retailer). CRC then earns the 1-13% difference. Think about it, you are going to spend the money anyway, but if you spend it using Scrip gift cards you support our parish and school at the same time. There are hundreds of retailers offered through Scrip and your cards can be used in-store or online. Do you shop at Wal-Mart? Target? Super Saver? Buy a gift card through CRC Scrip and use it for your next grocery run. Use the cards for home improvements or to budget that Starbucks addiction. Are you a last minute Christmas shopper who relies on that Amazon Prime to get you free 2-day shipping? Buy a handful of Amazon gift cards and still get those items in the nick-of-time. It's so easy!
