PARISH

Message from Msgr. Tucker

I want to give a quick update on a few topics. **Tithing:** During the month of March, we averaged \$20,835 in our weekly collections. Our weekly budget is above that amount, so please continue with your generosity and the increase in your tithe by \$1/day or \$30/month.

Air-Conditioning: We are moving forward with the installation of the Chiller by IES/Shanahan from Valparaiso, NE. The cost of the chiller with installation is roughly \$122,000 and will be funded by savings in our Diocesan Investment and Loan account. We will formally ask for an increase in your gift to the annual CSA appeal to cover the cost of this capital improvement.

Adoration: Finally, and most importantly, Bishop Conley has asked us to move forward on a very tasteful and inexpensive remodel of the Bishop's chapel for adoration. The remodel primarily includes painting of the walls to lighten up the chapel, and to improve the furniture currently in the chapel. The plan is to move our adoration program to the Bishop's chapel on the feast of Corpus Christi, which is June 18. Our adoration coordinators are contacting the new people interested in an hour of adoration to fit them into the weekly schedule. During Mass times, we will need at least one person to be in the Bishop's chapel praying, since when the Eucharist is exposed there needs to be at least one person praying.

I know there are some people that really want an hour by themselves, and I completely understand that, as I really enjoy the quiet of my hour by myself in the middle of the night. Our coordinators understand that too, and so in your conversation with the coordinators, when they ask if you would share your hour with another parishioner, let them know your desire. We have 133 new adorers to fit into the schedule, so that means that everyone won't have an hour by themselves, so be open to sharing your hour with another person. Our hour is a time of quiet and intimacy with Jesus, so when two are present short greetings and focused prayer is the best behavior. This will be a great blessing to the parish and to you personally and together we will make this a great blessing for Cathedral parish.
