# Cathedral of the Risen Christ: A Family That Pulls Together

My Dear Parishioners,

It is love that pulls us together, and it is love that makes us strong, especially in challenging times. Presently, our parish family finds itself in the middle of a minor crisis with a significant cash shortfall (please see the Financial Report on the parish website). Regarding our current 2017-2018 budget, we have a real need to increase our tithing in response to our parish family needs.

In the end, we all are being asked to prayerfully consider increasing our tithe by 18% in order to keep our parish family strong, vibrant and fruitful. May God bless us and bring us all closer to Him as we make this prayerful consideration. However, as in all giving, let our motivation be love! **How good it is for us to reflect upon Christ's love for us! For the love of Jesus best motivates us to pull together to meet our current challenge, or, for that matter, any parish family challenge.**

One of the greatest aspects of Christ's love for us is His loving service. He came for us! He suffered for us! He died for us! He rose for us! In turn, He taught us very clearly that we will die and rise with Him only if we imitate His life of loving service. He told us that the greatest of all is the servant of all. *"Whoever wishes to be great among you shall be your servant; whoever wishes to be first among you shall be your slave"* (Matthew 20:26). Therefore, as we strive to follow Jesus and grow in holiness, we must ask ourselves: How can I better serve others with my time, my talents and my treasure?

Loving service has been a mark of our parish family from its very beginning. The founding "fathers" of this parish family were much fewer in number and sacrificed much to build up this parish campus. We are the blessed recipients of their blood, sweat and tears. Now, in gratitude, it is our turn and duty to sacrifice so that the Cathedral Parish Family will continue to be a strong, vibrant and holy parish.

Please take this all to prayer and prayerfully consider an increase in your tithing of 18%. That means, if you gave \$1,000 total last year, please consider tithing \$1,180 this year. Or, if last year you gave \$5,000, please prayerfully consider giving \$5,900 this year. We have an awesome parish family, and so I am confident that we will pull together for the well-being of our parish and the glory of God!

Please pray daily for our parish family and for all the needs of our individual members, and please know that I pray for you and sacrifice for all of you each and every day.

In the grace of our Risen Lord Jesus Christ,

Msgr. Nemeč
