PARISH

Have a happy and blessed Mother's Day to all Moms in the Cathedral Parish Family!

Charity & Stewardship Appeal Update

The Annual Charity and Stewardship Appeal is vital to the work of the Church in our diocese and parish. Last year, rebates from the Appeal to our parish amounted to about \$217,189.00, and made up almost 10% of the income we needed for our Cathedral Parish and School budget. I ask for your help and invite you to be a part of the Charity and Stewardship Appeal. Your involvement is necessary to keep Cathedral functioning as a very active and vibrant community of believers. Whether you are able to give a large gift or a humble amount to the Charity and Stewardship Appeal, all of our gifts are pleasing to God and every little bit helps! To date, **\$152,007.00** has been pledged with **309 pledge cards turned in**. That is 23.39% of our parish. If you have not returned your card yet, you may place it in the collection at Mass, one of the receptacles in the vestibule, or drop off or mail your card to the parish office. Thank you for your prayers and support. I am truly edified by the great generosity and level of commitment in this wonderful parish family! God bless you and reward you all.

Science is AWESOME!

OUR SCHOOL SCIENCE LAB IS NOT.

Help us bring a state of the art science lab to CRC in 2018!

Science careers are a high-growth career field and Eagle students need all the tools possible to compete in the future workplace. While our Cathedral science curriculum has blossomed in recent years, our students, future and present, deserve the best in hands-on technology and project-based learning. Having already researched some of the area's best facilities, we plan to remodel the entire lab and purchase new supplies. This new lab would be available and appropriate for all our students, Kindergarten through 8th grades.

Our Goal - \$55,000 by May 31 with construction over the summer and a new Science Lab ready for students and teachers this August 2018.

Here's how YOU can make a difference!

We will use **Give to Lincoln Day May 31, 2018** as a way to stretch your contribution even further! Give your donation today (date your check for May 31 and write the check to Lincoln Community Foundation) and your gift will be deposited on May 31. Cathedral will then receive a percentage of the matching gift to make your gift even more!

Your name will be displayed on the CRC Science Hall of Fame with a gift within these levels:

<ul style="list-style-type: none"> • Investor Levels • \$10,000 = Naming Rights • \$5,000+ = Einstein • \$2,500+ = Curie • \$1,000+ = Pasteur • \$500+ = Galileo • \$250+ = Goodall • \$100+ = Mendel 	<ul style="list-style-type: none"> • Want to buy a specific tool/supply for the new Science Lab? • Mobile teacher demo desk - \$1,700 • Full-size, articulated skeleton = \$700 • Compound Microscope = \$300 • Simple Machines Kit = \$250 • Triple beam balance = \$140 • K-5 Plant Lab = \$40 • Beaker Set = \$35 • K-5 Insect Discovery Kit = \$25

Like all things Cathedral, our goal is to SOAR: We endeavor to create the most advanced science lab in the Lincoln Diocese. 100% of the money raised from this fundraiser will go directly to fund the new Science lab at CRC.
