

Sweet dreams

providing a bed for every sleepyhead

Every child deserves a good night's sleep in a bed of their own. This community outreach initiative is sponsored by Cathedral of the Risen Christ Parish in conjunction with Catholic Social Services of Southern Nebraska. The goal is to provide a new single bed for every refugee child coming to Lincoln through CSS and St. Gianna's families; 50 single beds and 10 crib mattresses are needed yearly.

Individuals, families, parish organizations, students/classrooms can participate by sponsoring a bed for a needy child. Here is how you can sponsor a bed:

\$150

You can sponsor a new single bed set

\$40

You can sponsor a new crib mattress

Any amount

You can help sponsor a bed with other donors

Please make checks out to Catholic Social Services and write "Sweet Dreams Project" in the memo field. Your much-appreciated donation can be sent directly to CSS, 2241 O St., Lincoln, NE 68510 or placed in the Cathedral collection basket earmarked Sweet Dreams project. All donors will receive a tax deductible receipt and certificate of sponsorship.
